Small Group Discussions

- Make space for all voices to be heard
- Embrace creativity and originality
- Listen actively and be fully present
- Stay curious about the range of viewpoints

Discussion Questions

What structures in your child welfare program help build a resilient workforce? How have these made a difference?

Share specific operational supports you have either put in place or have plans to implement to address secondary, racialized, or historical trauma.

Where do you see opportunities to improve what your agency is doing to build a resilient workforce?
