Before any client contact, you must ask over the phone and in person:

1. Have you traveled in the last 14 days? If yes, where?
2. Have you had contact with anyone who has traveled in the last 14 days? If yes, where?
3. Are you experiencing fever, chills, difficulty breathing or shortness of breath, persistent cough, or any other new respiratory problems (e.g. persistent sneezing, wheezing, congestion etc.)?

**NO WORRIES**
Answer is NO to all three questions and there is no indication of exposure and/or illness

**WORRIES**
Answer to any of the three questions indicates potential risk of exposure and/or illness

**NORMAL RESPONSE**
