Hello,

I am looking forward to seeing you at the upcoming “Understanding the Impact of Trauma on Children for School Professionals”. This training will provide you with the foundational knowledge regarding a child’s trauma and traumatic stress. During this training, you will learn about the impact of trauma on development and a child’s response to a traumatic event.

Please print the participant guide prior to the training. If you prefer, you may download the materials to your desktop and follow along on your computer during training. When clicking on the link below, you will be directed to a folder with a participant guide, bingo cards and a “locate and share activity”. Just pick your favorite color bingo card, print or save one card, and download along with your participant guide and the locate and share activity.
