WE ARE CHILD WELFARE VIDEO SUBMISSIONS

Here’s the simple steps to sharing your voice.

1. Choose a quiet spot where you won’t be interrupted.
2. Find a way to prop your phone up (it cannot be hand-held) or have someone else record for you.
3. Shoot in landscape (not portrait).
4. Adjust the monitor and lighting until you like the way you appear on screen.
   a. Make sure the camera is at eye level and that your whole head and shoulders are visible.
   b. Be sure you are not back-lit (what happens when a window or the sun is directly behind you). You want the brightest light source in the room to be in front of you.
5. Do a sound check to be sure you will be heard clearly and if not, move closer to the camera.
7. Tap the green plus below to open the Flipgrid Camera. Then, record a short video - no more than 3 minutes - answering one of the following questions:
   a. What do you love about child welfare?
   b. What motivates you to do this work?
   c. How does this work make a positive difference?
   d. What do you appreciate about the child welfare workforce?
   e. Is there someone you would like to thank for their support?
8. Please note that by submitting your video, you are to agreeing to NCWWI’s Photo and Video Release form below.
