6 WAYS TO KEEP LEARNING

These products are on our website, NCWWI.org, under 'Our Products'. You can also search our resource library to quickly access over 1,000 vetted resources.

1. WEBINARS
   Our comprehensive list of webinars includes those being offered by us and other organizations - all listed in one place to make finding what you need effortless! We record NCWWI webinars, and you can watch them on our Vimeo channel or listen through Apple Podcasts, Spotify, Google Play, or Stitcher.

2. 1-PAGERS & INFOGRAPHICS
   We’ve done the hard work for you by analyzing the research, pulling out the critical findings, and stating the implications to the field, so you can immediately apply it to your work. Review by topic.

3. FRAMEWORKS
   NCWWI's Workforce Development Framework (WDF) can guide agency leaders to improve the health of their child welfare workforce, and our Leadership Competency Framework provides a competency ladder illustrating how those competencies manifest at progressively higher position levels.

4. REAL STORIES FROM THE FIELD
   This multimedia collection can inspire rich discussions about innovative workforce development initiatives. Take it a step further by using the tool kit created to inspire discussions among teams.

5. ONLINE LEARNING
   Access engaging, interactive online learning that builds skills in leadership, workforce development, and change implementation. Individuals, supervisors, training departments, faculty, and implementation teams can access the courses for free and use them to fit their needs.

6. INFORMAL LEARNING
   Learn about best practices from NCWWI and your peers every day! Sign up to get our newsletter and follow us on Facebook, LinkedIn, and Twitter.
