

# Activity | Purposeful Vision and Mission Integration

**GOAL** | To reinforce that all organization initiatives are connected to the organization's vision and mission.

**RELEVANT FOR**

- Executive
- Middle Manager
- Supervisor

**DESCRIPTION** | Consider one of your current work projects or initiatives in relation to your organization's vision and mission statement.

How can you show that your organization's vision and mission are relevant to this work project or initiative?

What strategies can you employ to strengthen the connection between your organization's vision and mission and your identified project or initiative?
