

ACTIVITY | **Welcome Aboard!**

GOAL | To model interpersonal relations by developing a program exhibiting an inclusive, hospitable, and friendly environment.

RELEVANT FOR

- Middle Manager
- Supervisor

DESCRIPTION | Devise a fun, warm way to welcome new employees to the organization. Implement the idea and assess results.

MORE INFO

[Recruitment & Retention](#)

Welcome Aboard!

How does your organization currently welcome new employees?

How did your organization welcome you?

How does your organization notify other staff about new employees (for example, an email describing the qualifications they bring to the organization)?

What was the best way you ever heard to welcome a new employee into a new job?

What would make a new employee feel welcome at your organization/unit?

What can you do differently to welcome new employees?
