

6 STEPS TO DEVELOP LEADERSHIP SKILLS

- 1 Review the Leadership Competency Framework to discover the competencies vital for working & leading in child welfare.
- 2 Take the online self-assessment to discover your strengths & areas for growth.
- 3 Explore the activities & select those that match your needs, assessment results, interests, learning style, & time constraints.
- 4 Record the chosen activities in your Leadership Development Plan.
- 5 Complete the activities & use the Post-Activity Reflection Journal to gain insight & determine how to move forward.
- 6 Track your progress & revise your Leadership Development Plan annually.
